# Only one healed leper thanked Jesus.

Luke 17:11-19

## ☆Let's Talk and Wonder

**ASK** *How many people are in the picture? What are they doing?*

**SAY** Jesus healed 10 men who had a skin disease called leprosy. Nine went away to show the priests that they were healed. One man returned to Jesus.

**ASK** *What did the man do when he returned to Jesus?*

**SAY** He got down on his knees and thanked Jesus for healing him. The man believed in the miraculous power of Jesus and praised God for all he had received that day. Jesus told the grateful man that his faith had made him well.

**SAY** I wonder how the man felt after he went away from Jesus . . .  
I wonder what we can thank God for today . . .
